DELIVERING SOCIAL IMPACT ACROSS THE ARMED FORCES COMMUNITY

For more than a decade, our funding has delivered social value by creating opportunities for the armed forces community to experience sport, challenge and adventure

Joining Team Forces was one of the best decisions this company ever made. It has raised our profile in the Defence sector in a way that few other methods could ever achieve.

Head of Marketing Communications, Excelitas Qioptiq

Team Forces mission is to represent the appeal and social impact of sport and adventure. Our initiatives create equal opportunity, increased diversity and supports the health of those involved by promoting excellence, recuperation, rehabilitation and a sense of inclusion

Team Forces is endorsed by the UK Ministry of Defence and the Team Forces Sports Foundation is a registered charity (number 1144004)
